

Town of Altona

Employment Opportunity

The Town of Altona is currently seeking a self-motivated, friendly, and energetic individual to fill a **full-time term** position of **Landfill Summer Staff**. The term will be for a minimum of two months, commencing at the end of June. The successful candidate will possess a willingness to work hard, and ability to perform under various working conditions.

The successful candidate will report to the Landfill Foreman in the operation and maintenance of the Altona/Rhineland Waste Disposal Site.

This position will include a variety of tasks such as:

- Cutting grass and other yard maintenance
- General site maintenance
- Customer service, including scale operation, payment collection and directing customers to correct disposal areas
- Equipment washing
- And other duties as assigned

The working hours for this full-time term position are 40 hours per week. The successful candidate will earn \$13.50/hr.

All applicants must have:

- a valid driver's license
- CSA approved footwear

Experience operating yard maintenance equipment such as a riding mower, weed whackers, etc will be considered an asset. Experience with customer service and/or with operating heavy equipment is also an asset.

For more detailed information regarding job description and staffing structure, please contact Clint Derksen at the Town of Altona Public Works Department. Please submit resumes by April 27, 2022 to:
