

## **Landfill Scale Operator (Term) Town of Altona**

Do you enjoy working independently and have a desire to serve the community? Are you experienced in providing quality customer service? The Town of Altona is currently accepting applications for a **3 month term** position of **Landfill Scale Operator** to begin as soon as possible.

The **Landfill Scale Operator** reports to the Public Works Manager, and is responsible for the daily operations, management and maintenance of the Altona/Rhineland Waste Disposal Site. Duties for this role include customer service, including directing customers to appropriate disposal areas, collecting payment and maintaining records; maintaining a safe work environment; and maintaining the landfill yard site, which may require the use of some heavy equipment.

The successful applicant will have:

- Minimum Grade 12 high school diploma or equivalent
- Customer service experience
- Organizational skills
- A desire and willingness to obtain further education and training as needed for the role
- Ability to work independently with minimal supervision, as well as within a team
- The ability to work under various working conditions
- Experience operating heavy machinery is an asset
- Knowledge on landfill permits and regulations is considered an asset

The salary will be commensurate with experience and qualifications. Please submit your resume and cover letter detailing how your experience and qualifications meet the requirements by **July 29, 2022**. We thank all that apply however, only candidates selected for an interview will be contacted. Candidates being considered will be required to undergo a Criminal Record Check.

### **Submit resume and cover letter to:**
